Objectives and activities

Summary of the purposes of the charity set out in its governing document

(a) To promote and protect the physical and mental health of disabled people and their carers without distinction of sex, sexual orientation, race or of political or religious or other opinions by facilitating such persons to have access to the countryside with the objects of improving the conditions of life of such persons.

(b) To promote education and research into the treatment and care of disabled people, in particular but not exclusively focusing on disabled access to the countryside.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts

Open Country is a Yorkshire-based organisation that seeks to enable anyone with any disability to access and enjoy the countryside. This is achieved through a variety of countryside activities and the provision of information and advice. Our four nature conservation work parties give people with learning disabilities and mental health issues a chance to get involved in helping improve the environment throughout the local area. Four walking groups operate throughout the year, with walks ranging from two to ten miles. There are regular countryside outings to a variety of wheelchair accessible locations, including nature reserves and country houses. We have five tandem clubs, between them covering Harrogate & Knaresborough, Ripon, Wakefield, Wetherby and York. Other groups are 'Wild Things' (a nature study group) and the 'Adventure Club' (specialising in outdoor pursuits). The 'Care in the Countryside' group targets people with disabilities and their family carers. 'Wild about Wetherby', is a project for Aspire CBC, offering day services to people from the Wetherby area. The 'Wild about Wakefield' project still offers inspiring activities in the West Yorkshire cathedral city. Our 'Countryside Advice Service' continues to offer information and advice on aspects of countryside access for all to a wide range of individuals, statutory agencies and countryside organisations. We evaluate our activities carefully and there is clear evidence of the physical and mental benefits to our service users, in the form of improving overall health, combating social isolation and forming strong and lasting friendships.

Despite the undoubted funding challenges facing our sector, we are expanding the service we offer, offering our skills to a wider community of disabled people and carers.

The trustees consider that they have complied with their duties to have due regard to the public benefit guidance published by the Charity Commission.

Additional details of objectives and activities

Contribution made by volunteers - Open Country continues to rely heavily on around 125 volunteers, without whom the activities offered to users would be severely restricted.

Other - In 2021/22 we will:

Improve the efficiency and sustainability of our organisation through implementing Year One of our new Five-Year Business Plan.

Seek to ensure our financial sustainability through creating extra Fundraising and Marketing capacity within our staff team.

Further develop our 'Wild about Wakefield' outreach project.

Offer an exciting and stimulating range of face-to-face activities, complemented by digital activities where appropriate, as the UK continues to climb out of Lockdown.

Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

Our activities were unquestionably affected by the global pandemic this year but we still managed to work with a creditable 219 different people on a mixture of face-to-face and virtual activities. Some highlights were our virtual offer, which grew from nothing in response to the pandemic. Zoom-based activities included yoga, boogie bounce, capoeira and wildlife study. Elsewhere, where the national lockdowns allowed, our work continued to embrace a wide variety of face-to-face activities, including developing our allotment, launching a new wildflower growing project and holding regular picnics in a local park.

Despite the severe operating difficulties, we were delighted that most of our Business Plan targets were achieved. For example, income was healthy, business and community support increased and we took steps to strengthen our Governance.

Financial review

Results for the year.

As set out in the Statement of Financial activities on page 7, total income for the year was £276,957 (2020: £341,281) Net income for the year was £10,257 (2020: £73,779)

During the Year we received invaluable financial and in-kind support from the following organisations and individuals: See appendix

Statement explaining the policy for holding reserves stating why they are held

Reserves are required to bridge the gap between expenditure and income, to cover unplanned emergency expenditure and to develop new services.

Total funds as at 31 March 2021 amounted to £391,100 of which £330,521 was unrestricted. However, the unrestricted funds at 31 March 2021 include functional fixed assets (eg minibuses and other equipment required for the Charity's activities) of £67,766 that are essential for the Charity's activities and are therefore excluded from free reserves.

Total funds at 31 March 2020 amounted to £380,843 of which £237,895 was unrestricted. Restricted reserves amounted to £142,948 at that date of which £41,553 was represented by tangible fixed assets which have since been transferred to unrestricted reserves as the restrictions placed on them have been met.

Therefore, the Charity's reserves freely available to spend at 31 March 2021 were £262,755 (2020: £237,895).

The Charity seeks to achieve sufficient reserves to cover six months' expenditure on charitable activities (£165,000) plus the estimated costs of meeting all commitments on a winding-up of the organisation (£65,000); a total of £230,000. The trustees note that reserves freely available to spend increased during the year ended 31 March 2021, notwithstanding the impact of the pandemic. In part this reflects the fact that most activities were suspended and staff furloughed as a result of which some of the funding received could not be spent until activities, largely, resumed after the year end. The Charity was in a good financial position prior to the pandemic and remains so. There will however be expenditure required over the next two years for asset replacement and to fund the development of services and activities, some of which will need to be financed from new funds. Although reserves freely available to spend at 31 March 2021 were above the level required to satisfy our reserves policy at that date, the trustees consider this to be necessary to ensure that the Charity can continue to maintain and expand its services for the benefit of service users.

The reserves policy is reviewed annually.

Trustee responsibilities in relation to financial statements

Company law requires the directors (trustees) to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for the year. In preparing those financial statements, the directors (trustees) are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the Charities SORP
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue on that basis.

The directors (trustees) are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of Open Country

I report on the accounts of: **Open Country**
for the year ended: **31st March 2021** which are set out on pages 7 to 18.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 386 of the Act; or
- 2 the accounts do not accord with those records
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Basis of preparation

1.1 Basis of accounting

The financial statements are prepared under the historical cost convention and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP (FRS 102)).

1.2 Change of basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Change to previous accounts

2 Accounting policies

Income is recognised in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- receipt is probable; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure, the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has evidence of entitlement to the resources and receipt is probable.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Expenditure and Liabilities

Expenditure

Raising funds

Cost of raising funds comprise those costs associated with attracting voluntary income.

Charitable activities

Charitable activities expenditure comprises those costs incurred by the charity in the delivery of its activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Assets

Tangible fixed assets for use by the charity

These are capitalised if they can be used for more than one year and cost at least £2,000. They are valued at cost or, if gifted, at the value to the charity on receipt, less depreciation.

Fund accounting

Unrestricted funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are funds which can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor.
